True Luxury: Creating Your Happiness
Webinar Series, Now Available Only On CORE

WASHINGTON D.C. | JUNE 2023 | True Luxury is a three-day live webinar series hosted by anthropologist and researcher David Verdesi that shares new and old traditions around mental health and finding happiness within communities and individuals. Verdesi has spent over 30 years traveling and researching around the world researching and comparing his own experiences with those of the Shamans of Central and South America and Africa from yogis to Siddhas in the mountains and jungles of India. His discoveries contribute to real life circumstances and practices that can positively impact our energies, develop mindful awareness, and truly inspire the world to unlock a lifetime of pure happiness. What does a lifetime filled of pure happiness look like? How does one dive into their own energy field? Follow alongside David Verdesi as he guides his viewers to find true happiness and prioritize happiness as the real luxury of life.

This is the first time that CORE is initiating an interactive life component available to its streaming services. This life feature allows for views to actively interact with our leading personalities we feature on CORE.
